# Radiochemistry And Nuclear Chemistry

## Synopsis

Radiochemistry or nuclear chemistry is the study of radiation from an atomic and molecular perspective, including elemental transformation and reaction effects, as well as physical, health and medical properties. This revised edition of one of the earliest and best-known books on the subject has been updated to bring into teaching the latest developments in research and the current hot topics in the field. To further enhance the functionality of this text, the authors have added numerous teaching aids, examples in MathCAD with variable quantities and options, hotlinks to relevant text sections from the book, and online self-grading tests. New edition of a well-known, respected text in the specialized field of nuclear/radiochemistryIncludes an interactive website with testing and evaluation modules based on exercises in the bookSuitable for both radiochemistry and nuclear chemistry courses

## Book Information

File Size: 16568 KB

Print Length: 867 pages

Page Numbers Source ISBN: 0124058973

Publisher: Academic Press; 4 edition (September 5, 2013)

Publication Date: September 5, 2013

Sold by: Digital Services LLC

Language: English

ASIN: B00FJ6S1HO

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled

Lending: Not Enabled

Enhanced Typesetting: Not Enabled

Best Sellers Rank: #518,626 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #19

in Books > Science & Math > Chemistry > Nuclear Chemistry #53 in Kindle Store > Kindle eBooks > Nonfiction > Science > Chemistry > Physical & Theoretical #107 in Kindle Store > Kindle eBooks > Engineering & Transportation > Engineering > Chemical

## Customer Reviews

The new and updated version of the Radiochemistry book is a well structured and comprehensive book, good for grasping the fundamentals of nuclear chemistry!In it's new format, the text is much

easier to read, the figures easier to use and some correction to previous pictures offer a much better understanding of the concepts. Also, the rearrangement of chapters makes more sense and is easier to follow. The cover picture is a really eye catcher, good job with that! :) Definitely recommended!

Covers the subject matter well but they could have given it to a English speaking editor for a translation check.

Needs editing on basic english.
