# A Journey Through The Horse's Body: The Anatomy Of The Horse

## Synopsis

A fascinating journey through the horse's body from head to tail! The horse's organs, from nostrils to tail, are presented with their structures and functions, in this book that covers the musculoskeletal system, the horse's senses, the brain and nervous system, and the digestive system. The subject matter is fascinating right down to the smallest detail, and even experienced horse owners will enjoy one or two "aha" moments. The reader becomes an active companion on an exciting journey through the horse's body.

## Customer Reviews

This is an absolutely great book. The illustrations are just great. If someone is wanting to learn anatomy and understand the horses body this is a great book, would highly recommend it.

Well done. A great little primer for learning quickly. Clear, concise writing about complex subjects.
