Customer Reviews

I am a first semester seminary student attending Talbot School of Theology at Biola University. I enrolled in the "Elements of Hebrew I" course, and we are using the Basics of Biblical Hebrew Grammar textbook and the Basics of Biblical Hebrew workbook. I bought the Basics of Biblical Hebrew Vocabulary Audio CD to aid my memorization of Biblical Hebrew vocabulary.

Pros:

1. The CD is divided into chapters that correspond directly to the vocabulary list at the end of each chapter in the textbook.
2. I paid \$11.04 for this CD, and I felt it was an appropriate price for the value of the product.

Cons:

1. Dr. Jonathan T. Pennington might be a good theologian and scholar, but why was he chosen to narrate this CD, or at least the Hebrew words on the CD? I would GREATLY prefer someone like... Rabbi Shlomo Ben Judah (made-up person), or something. Dr. Pennington has a great voice, but it's funny to listen to an obviously English-based pronunciation of Hebrew

words. Summary: I recommend this CD if you're learning Biblical Hebrew. Though the pronunciation of Hebrew words would be better without the influence of an English accent, the CD is still a great resource.
