Torah (Hebrew Bible)

Synopsis

The Torah refers to the Five Books of Moses, (Genesis, Exodus, Leviticus, Numbers and Deuteronomy) and literally means "Instruction". This e-book, translated from Hebrew to English is intended for all those interested in learning about the Torah. Many Christians, Muslims, and even Jews that do not know Hebrew, but do know English will start here. If you purchased this e-book to compare it to the Christian Bible or Qur'an, you will find some differences from your Bibles, but the overall meaning has been preserved. I hope the Torah helps answer the questions that led you to here in the first place.-- Aharon Mahler " " " "

Customer Reviews

Reading this Torah (Hebrew Bible) translated into English assisted me in further understanding the Hebrew tradition and laws that have guided them throughout time. For me, these teachings have filled the gaps in my faith, and I shall continue to refer to this book as a guide until the last days of my life!

If I could give it the Star of David I would
