Llewellyn Vaughan Lee is a Sufi Master for whom I have tremendous respect, and this book is an absolute gem. He quotes Sufi Masters from throughout the tradition, starting with the hadith of the Prophet. Rumi & Hafiz are among many quoted. The quotes are arranged thematically, by topics roughly reflecting the order of the spiritual path. For many of these selections, just an individual quote would be ample to ponder for week of meditation. This book is unbelievably dense with wisdom and insight. I cannot highly enough recommend this book to spiritual seekers of all traditions!

These gems of great Sufi teachers between the 7th and 20th centuries, arouse the heart through its states of longing, separation and union. Wherever I dive in I always find an echo, an affirmation, an inspiration.

If you love Sufi Sayings these a great collection of sayings from different masters. Read any page from the book, don't have to read this in order.
