Customer Reviews

This review originally appeared on The Magical Buffet website on 3/26/09. I recently finished reading Deborah Blake's latest book "The Goddess is in the Details", which is releasing in May. What a wonderful read! As Blake points out in her introduction, there are "many books out there for the witch just starting out. Lovingly (or not so lovingly) referred to by many of us [Wiccans/Witches] as 'Wicca 101' books." What has been lacking in the vast Wiccan book marketplace are books that talk more about what it means to be a Witch, the more spiritual and philosophical side of those who call themselves Wiccan. "The Goddess is in the Details" fills the void. Blake's book asks, and answers, just about any question you could ask about what it means to be Wiccan. The book is divided into six parts: The Everyday Witch, The Inner Witch, The Outer Witch, The Social Witch, The Practicing Witch, and The Natural Witch. Within those six parts, Blake discusses everything from "The Seven Beliefs at the Heart of Being a Witch" and "Mindful Eating" to "The Witch and Marriage" and "Interacting with Others at Work and Play". Better still; at the end of each chapter, Blake has "Something to Think About" and/or "Something to Try". These ask you to consider how you deal with or view the things previously discussed or offers exercises to try to incorporate what you've just read into your life. I tend to think of this book as kind of a "High Priestess in a Box". Any question you would think to ask a High Priestess, Blake answers. This makes the book an invaluable tool for

Solitary practitioners, individuals interested in becoming leaders within their respective spiritual communities, and any Wiccan looking to find what it means to be a Witch.
