A Season To Remember: Faith In The Midst Of The Storm

Synopsis

In Tuscaloosa, Alabama the world revolves around one thing: The University of Alabama's Crimson Tide. But on April 27, 2011 everything changed. An EF4 tornado ripped through the small college town and changed it forever. Carson Tinker, the starting long snapper for the 2011 and 2012 National Champion Crimson Tide, was among those forever changed by the events of April 27. Tinker lost his girlfriend Ashley Harrison to the storm, but not his faith. In the midst of unfathomable destruction, Tinker saw love, companionship, perseverance, and triumph in a community torn apart by a natural disaster. Where everyone else saw tragedy, Carson Tinker saw blessing. Following the storm, the Crimson Tide suited up to face their most challenging season to date. Tinker's personal story guides readers through what cannot be described any other way than a season to remember.

Book Information

Paperback: 224 pages

Publisher: B&H Books (May 1, 2014)

Language: English

Customer Reviews

Memoirs written by the young are usually immature, self-indulgent and shallow - especially those by athletes. Not this one. This book tells how Carson's faith, weathering hard times with his good, spiritually-grounded parents, and the emotional and spiritual maturity instilled by the Alabama football program, prepared him to deal with the tremendous personal loss and physical challenges he faced in the aftermath of the tornado. Before reading the book, I was hopeful that it would confirm that the principles Nick Saban talks about all the time (virtually all of which are spiritually based even though he seldom expresses them from that perspective) are actually practiced by a significant part of the Alabama Football Dynasty. From the head coach to support personnel, to teammates, to

former players, Carson was surrounded by the right people who said the right things and took the right actions at the right times “ and all for the right reasons. And Carson lived in gratitude for all these blessings in real time. If you love God and Alabama football, and a good story about well-grounded young people making good choices and getting the help they need and deserve to mature, overcome adversity, and become champions, I recommend this book. And if you do not tear-up when reading about Siran Stacy’s gracious hospital visit with Carson and his family, then you’ve probably never felt the power of God moving through others at the right time in your own life. The face-paced and easy narrative of this story makes it an easy read. The honesty with which it is told will move you in so many ways. And you won’t feel like you’re stuck in a sermon either. Carson also explains the therapeutic value of work and self-sacrifice for others.
