Angel Numbers 101: The Meaning Of 111, 123, 444, And Other Number Sequences

Synopsis

One of the most common ways in which angels speak to us is by showing us repetitive number sequences. Since the publication of her best-selling book *Angel Numbers*, Doreen Virtue has received even more information from the angels about the meaning of number sequences such as 111, 444, 1234, and so forth. *Angel Numbers 101* clearly explains how to receive accurate messages from your angels and heavenly loved ones whenever you see repetitive number sequences on telephone numbers, license plates, receipts, clocks, and such. Every message is completely updated for increased accuracy in understanding your angels'™ messages. This handy reference guide is small enough to fit into a purse or desk drawer so you'll always know what your angels are saying.

Book Information

Paperback: 256 pages

Publisher: Hay House; 5/13/08 edition (July 15, 2008)

Language: English

ISBN-10: 1401920012

ISBN-13: 978-1401920012

Product Dimensions: 4.7 x 0.6 x 6.9 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (493 customer reviews)

Customer Reviews

What this book is: This book is written as a dictionary style reference to look up the meaning of any number between 0 and 999 that you may notice reoccurring in your life. Each number has a one or two sentence meaning written underneath. All of the definitions are very positive and encouraging in nature, but not very specific. No matter what number you look up, you will get a few words of encouragement for your efforts (no negativity or warnings of any kind). The author mentions in the introduction that her initial findings on numbers were published in a chapter of an earlier work, "Healing With the Angels." This book is a followup reference to provide detail on each number in a small package that can be carried with you (its about the size of a 3 by 5 note card). What this book

is not: For those looking for detailed information on a few specific numbers regarded as special or meaningful in other documented systems, this book is solely based on information Doreen has personally received through meditation. There are no references to any older sources or systems. Even though 111, 123, and 444 appear on the cover, the definitions provided are not dramatically different from the words of encouragement associated with the other numbers between 0 and 999 in this text. The book is a reference book, not an instruction manual. Also, you will not find: information on Master Numbers, anything related to numerology, anything related to Kabbalah, any detail on Ascended Masters, Agrippa-style tables of information related to specific numbers, or anything "mystical" in nature. If you are looking for these types of information/instruction, there are other books available that would better suit your needs.
