Pocket Havamal

Synopsis

Have you ever been out talking with someone and knew there was a perfect Havamal quote for the situation but you just couldn't remember it exactly? Ever been inspired out in nature and felt the urge to read the words of Odin? If so, the Pocket Havamal is for you! This Pocket Sized book includes the entire Benjamin Thorpe translation of the Havamal The Sayings of the High One. *This is the 2nd edition of the Best Seller, with a brand new design and completely reformatted interior. **Note: This is a SMALL paperback book that fits in your pocket for easy take along use.

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (41 customer reviews)

Best Sellers Rank: #29,063 in Books (See Top 100 in Books) #6 in [Books > Religion & Spirituality > New Age & Spirituality > Wicca, Witchcraft & Paganism > Paganism](#)

Customer Reviews

This is the official pocket Havamal that the military uses, which is why I chose this specific version as my "travel Havamal." However, I am not a fan of the Benjamin Thorpe translation as I find it difficult to understand and a bit confusing. The prose is also a bit rough, not as poetic as other versions. As such, it is not the helpful travel companion I was hoping for. Still, it is better than nothing. For everyday reading and studying purposes I recommend the Auden and Taylor translation, but I also love the Olive Bray version because it is very poetic and I prefer the way it sounds. If you are looking for a straightforward translation that puts things into modern, basic terms then I recommend the Patricia Terry version.

I already own several versions of the Havamal, but I bought this one for the sole purpose of always having it with me. As a Forn Siðr practitioner and sworn devotee of the All Father, I find it convenient to have his words as a guide in daily life, especially in the modern world. I would recommend this book to any follower of the old ways.

This is a perfect little book! It is pocket sized - 5.8 x 3.9 x 0.3 inches - handy to carry with you anywhere. There are three different covers (I got three of the black cover) and well formatted with a good-sized font for reading. Some extra pages in the back for your own notes too! It will be a great stocking stuffer and such a reasonable price that you can afford to get a few to donate to a raffle. This book is one of the things that people are always mentioning with the phrase, "Wouldn't it be a good idea if someone did this!" And it's Prime, so you get it fast with no shipping cost if you are signed up for Prime. Thank you Carrie - nice work!!! I will be getting more of these.

this is really cool! very compact and easy to carry. nice that they offer several cover options. nice print size and just all around neat book. be a great yule stocking stuffer for any norse mythology loving, or asatruar friends and family you might have.

Not the translation I was looking for, but it's convenient to be able to carry. If your new to the Nordic faith, I recommend looking at the more traditional translations rather than this one. I advise the Oxford version. Again convenient but not the translations closest to the all fathers words.

I have the Havamal on my Kindle app, as well as on my laptop, but having this to tuck in my bag and refer to when I'm out is a wonderful and handy tool. The Pocket Havamal is especially helpful when you want to show someone in writing a particular passage and this particular one is written in my preferred translation (Thorpe). Overall, I'd recommend to anyone that is participating in a Havamal discussion group or anything of the like where referencing of this specific lore is needed. As for the cost point, it's very reasonable, and would make a handy reference for members of kindreds / hearths.

It's perfect for on the go. Easily read. A great addition to my daily reading. I recommend it to anyone interested.

I have it with me all day. Tons of mini poems that guide you on a correct behavior for the others
