Customer Reviews

Great shape

I'm pleased with this product. It was delivered in the exact condition it was sold as and has been very useful to me.

along with chemistry the central science by brown, this is a great book. i think using both books in tandem is well worth it.

DETAILED TEXT MADE TOPICS EASY TO UNDERSTAND.ALONG WITH THE SOLUTION MANUAL, I MANAGED TO GET AN "A" FOR MY FINAL GRADE, AND I SAVED OVER \$75 BUY PURCHASING ON !

General chemistry is just sooooo boring it's really hard to write an exciting review for this textbook. I think I mostly used the periodic table and looked at the pictures.
