THE KORMAK SAGA OMNIBUS (BOXED SET) (Kormak Saga Boxed Book 1)

Synopsis

"The King of High Adventure," Starlog. "Immediately convincing, classically brooding," Steve Tompkins, TheCimmerian.com. To the world at large, he is a mercenary and assassin, a brutal killer with a deadly blade. In reality Kormak is a Guardian, one of an ancient order sworn to protect humanity from the servants of the gathering darkness. Kormak is a sword and sorcery hero in the tradition of Conan, Solomon Kane and Druss the Legend, a driven man with a mission to hunt down the ancient demons who slaughtered his family. His action-packed adventures take him from one end of his richly detailed fantasy world to the other.

THE KORMAK OMNIBUS The Kormak Omnibus contains the first three novels, the short story Guardian of the Dawn and many extras such as a map of the Kingdoms of the Sun and the author's notes for all of the stories. If you've never entered Kormak's world of danger and excitement, here is the perfect opportunity to do so at a special bargain price.

GUARDIAN OF THE DAWN In this chilling tale, Kormak seeks refuge for the night in an isolated peasant home only to find himself thrown into a terrifying confrontation with an ancient evil.

STEALER OF FLESH The Ghul are the Stealers of Flesh, an ancient race of demons who possess the bodies of humans to work great evil. Now one of them has been freed from its ancient prison using Kormak's own dwarf-forged sword and the Guardian must pursue it to a haunted city on the edge of the world to end its reign of terror.

DEFILER OF TOMBS An open tomb, a dead child and an unleashed ancient horror send Kormak on a path of vengeance through the haunted northlands of Taurea. He seeks Morghael, a necromancer with a plan for resurrecting the dark empire of Kharon and the power to bring the dead swarming back to life.

WEAVER OF SHADOW War brews along the border of the Elvenwood. The prophet of an ancient evil has corrupted the nation of Mayasha, reducing the once proud elves to feral slaves of the Shadow. Allied with the monstrous Spider Folk she is poised to sweep away the human settlements in the ancient forests and spread her Blight across the lands. Only one man stands between her and absolute victory; Kormak.

My favorite line, "At that time he was the man who the boy he was had dreamed he would be." It sums up a lifetime of disappointment and triumph. Too often, fantasy characters either exist in a world so foreign that I can't relate to them or they are so rooted in the mundane that the fantasy element is lost. The trend that David Gemmell began with his Legend and Waylander series is alive and well in Kormak and I love the idea of the warrior priest forging ahead in the face of overwhelming odds out of loyalty to an oath he took as a boy. The spirit of barbarian honor mixed with cynicism born of experience makes for a compelling character. Buy this book.

Like Robert E Howard and his Conan stories as I do? Then Bill Kings Kormak character feels like he's sprung from that same cloth where larger than life heroes battle the minions of evil in a finely realised world. Excellent reading!

These books are great! I don't necessarily require that an action hero have depth of character so

long as the action is good. However, it is nice to have both, and these books do. There is plenty of action, and Kormak seems more real.

William King is one of my favorite authors of the sci-fi/high fantasy genre and this omnibus does not disappoint. If you're a fan of Gortek and Felix then I recommend reading this as well especially for the awesome Kindle price.

King is an old hand at writing fantasy and science fiction in franchise universes. This is a wonderful collage of the ideas and stories from him that did not quite fit in more sanitized worlds but come together in a fine Swords and Sorcery legendarium.

The storylines are predictable. The prose muddles along. But the author manages a good tale. Enjoyed it very much. Bye.

I have latched on to Bill King after reading his first Warhammer titles, he is the Master at pulp fantasy. If you like Conan tales, you'll like Kormak. The books move quickly and have some great characters, villains, backstory and history. The books are stand alone and don't go in any order. Take the plunge, you'll love it!

I have read other books from this author, and was not disappointed with this book. It is a great story of swords and sorcery. This was also very nicely priced. I would recommend to any fantasy lover.
