Swords And Roses - Box Set: The Celtic Fox & The Celtic Vixen

Synopsis

The force of love is mightier than the sword. In the adventurous Arthurian era: In *The Celtic Fox*: Aelfrida has to decide whether to stay with him or kill him. Tryffin, a Celtic Prince, searches for and finds his true love, Aelfrida, a Saxon slave. There's one problem...she has sworn a blood oath against him. In *The Celtic Vixen*: Nesta picks up her deceased husband's long sword and joins the 15-year-old war leader, Arthur, to battle Saxons. There she meets the dark warrior, Ulfin, who, unknown to Nesta, is haunted by the matchmaker ghost of her deceased husband. This ghost has his work cut out for him for Ulfin and Nesta care more about war than love.

Customer Reviews

I enjoyed reading this book and I enjoy learning about historical times and about what happened in those times. I liked the different play on Arthur's life in *The Celtic Vixen*

I like the historical setting and the different slants on Arthurian legend. The romance was interesting but a little slow paced for me
