# Textbook Of Veterinary Diagnostic Radiology, 4e

## Synopsis

This text contains information on diagnostic radiology of canine, feline and equine species. Also included are chapters on ultrasound, CT and MRI. Designed to present diagnostic radiology in a user-friendly approach, it starts with the physics of radiology and then moves into interpretation of the radiographs. Radiographic anatomy helps the reader formulate a diagnosis. Questions at the end of each chapter, with answers at the end of the book, reinforce important concepts and ensure that readers understand one concept before progressing to the next. Spanish version also available, ISBN: 84-8174-660-6

## Book Information

Series: Textbook of Veterinary Diagnostic Radiology

Hardcover: 758 pages

Publisher: Saunders; 4 edition (February 15, 2002)

Language: English

ISBN-10: 0721688209

ISBN-13: 978-0721688206

Product Dimensions: 11.3 x 8.8 x 1.4 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #1,562,442 in Books (See Top 100 in Books) #30 in [Books > Medical Books > Veterinary Medicine > Radiology](#) #738 in [Books > Textbooks > Medicine & Health Sciences > Veterinary Medicine > General](#) #1991 in [Books > Science & Math > Agricultural Sciences > Animal Husbandry](#)

## Customer Reviews

The most useless book I bought during my degree. The photocopied radiographs are inadequate and their explanations aren't any better. The writing is choppy and hard to follow. The only useful part of the book was the explanation of how to actually take a radiograph. If you want to be able to interpret a radiograph I recommend you find a different book.

This latest edition of Textbook of Veterinary Diagnostic Radiology by Donald Thrall is a great improvement on the earlier edition (edition 2) that I had going through Uni. The basic physics is much more detailed, and the diagrams are great. Still the best in its field!

This text should be part of any veterinarian's library. The images are clearly labeled and descriptions are very helpful. I refer to it often and almost always find the help I need.
