Customer Reviews

"Your guides are very willing to be supportive and to offer guidance as they show you how to create the best possible outcomes in all situations and circumstances in your life. That's their job, and they love to be asked for help. So let them." -Sonia Choquette
Sonia Choquette-renowned author, vibrational healer, and psychic-is out with a new 52-card deck called Ask Your Guides Oracle Cards. This deck is designed to help you connect directly with specific spirit guides and Divine helpers as you navigate through life's transitions and challenges. By seeking guidance for present and upcoming life events with the Ask Your Guides Oracle Cards a direct link is forged to your personal psychic support system. A 71 page Guidebook accompanies the deck, and gives a brief overview of each of the 52 cards. In addition, four keywords are assigned to each card, which present concepts and energies that augment the card's meaning. The back of the box says that the Ask Your Guides Oracle Cards are based on the Minor Arcana of the Tarot. However, nothing is mentioned about Tarot in the guidebook, nor is any correlation discussed. There are no suits-color

coded or otherwise-and Minor Arcana parallels are not at all obvious. Why this supposed correlation is mentioned on the box is a mystery. The colorful illustrations are quite beautiful, and each card is numbered making it easy to find its explanation in the guidebook. Other than the card explanations, though, there isn't much to the guidebook. The Introduction is little over 2 pages long and briefly describes a one card and three card spread. Various guides and helpers are assigned to the cards, but there is no differentiation between them.
