Customer Reviews

Your words have healed my soul. Being raised similar to you and having many similar life experiences all I can really say is it's a relief to know I'm not alone in this. Thank you for sharing your story, you're an inspiration. God bless.

The best read ever. I know what it was like to live for my children and not myself first. As you come to find out that it does not always work out the way we plan. That we must always have love for ourselves first.

Compelling and well written. Well done!!

Great book about a woman who overcame many obstacles. She never quit when she had to many reasons to quit.
