Army Ranger Redemption (Target: Timberline)

Synopsis

A war hero fights for what he lost long ago. The Timberline Trio was the cold case everyone in town was doomed to remember. Scarlett Easton may have just been a child then, but the fear it spread throughout the reservation haunts her to this day. Jim Kennedy ran off to war to escape this place, and has now returned to fight his own battle on the home front. And when that puts Scarlett in danger, both their loyalties will be tested. Finding themselves on opposite sides of a town that's never recovered from the kidnappings decades ago, Jim and Scarlett discover that not only are their pasts forever tied together, but so are their futures.
