The Bad Luck Witch (The Bad Luck Witch Chronicles Book 1)

Synopsis

MAGIC AND MAYHEM, MYSTERY AND ROMANCE. Truly Mason has had the bad luck to lose her mother, her singing voice, her opera career, and her TV star fianc  all in one year. When her aunt dies and leaves her a house called Lady's View on the coast of Maine, Truly hopes her luck is finally changing. Leaving her past behind, she moves to Kilkeel, but from the moment she arrives, strange events lead to the conclusion that her aunt was murdered, and that Truly could be next. Guarded by a demon trapped in the body of a house cat, Truly must use her wits, and the strange magic in her broken voice, to navigate a perilous world of hunky neighbors with dark pasts, lawyers with supernatural sex appeal, and bickering witches with an agenda. But it's also a world of magic and music, and a bad luck curse that could destroy them all. Writing as Heather Hamilton-Senter, Heather Hamilton is the author of the best-seller BOUND IN BLUE: Book One of the Sword of Elements, and its sequels.

Customer Reviews

This was the best book I've read in quite a while. I was expecting a light cozy mystery for some

reason, but this was something of much more substance. It was nearly impossible to put down! I'll definitely be looking for anything (and everything) else written by Heather Hamilton.

Love this book! It was funny, suspenseful, and entertaining! I can't wait to see what the next book holds! Truly is truly awesome and I loved the fact that she wasn't a whiny character because circumstances changed in her life. She had some misgivings and hesitation but she didn't dwell too much on things she couldn't change. She is a take charge character, she knows how to get things done!

This is a really good book. It is one of the rare stories where I hated to stop reading. I just had to see what would happen next. It is a complete story and it is not. A lot will happen in the future with the characters and the main story issue will not be solved in just this book. Sigh- we have to wait for book two to be written. Lots of action and mystery and romance. Best part- very romantic and no sex. In fact that will raise my star rating to a five!

What a fantastic read! I totally enjoyed Truly and the cast of characters in this book. The book was fun and engaging. Definitely deserves the 5 star rating.

This book deserves 5 stars for having a great story line and realistic characters that grab your emotions. It's fast paced and so absorbing that makes it hard to put down. I can't wait for the next installment.

Other than a few, minor editing mistakes, I found this book to be an interesting and fun paranormal read. As an introduction to the series, it keeps the reader interested in Truly's (yes, that's her real name) run of bad luck. Despite the circumstances, her life appears to change for the better when she inherits her aunt's house and the cast of characters that are connected with it. There is a love quadrangle setup at the end that bridges into book two.

I loved this book! REALLY REALLY LOVED THIS BOOK. This was like a full season of Charmed. Truly Mason's whole life changes when she arrives in Maine. Being a New Englander, I was so happy this was set in Maine. I love reading books set in familiar places. There aren't enough good words I can say about The Bad Luck Witch. I can't wait for book two.

The author did a great job at world building and background on the main character that you never felt lost or confused. I loved the background to the story and the other characters as well. There is tiny bit of maybe romances but nothing solid or racy just good old paranormal mystery.
