Synopsis

This top-rated mystery series is on sale for a limited time to introduce you to the wildly popular Detective Jack Stratton Mystery Books from bestselling author Christopher Greyson. We hope you enjoy! Jack felt the familiar burn of shame in his chest. Why do I keep doing thisâthinking about her? It was so long ago, but I canât get what happened out of my head. I shouldnât let any of that junk define me, but I still do. Iâm driving in circles, caught in some loop that I canât break out of. I want to know why she abandoned meâbut some things, I guess, Iâll never knowâ

Customer Reviews

This is the second in the Jack Stratton Mystery series and I reviewed *Girl Jacked*™ along the lines: In one sense this is a quite normal crime thriller and follows a pattern that will be recognisable to readers of this genre. On the other hand there is always the required thrill in reading a well executed plot and so the author should be applauded for that. It never quite got to the point of brilliance but it is certainly a fine book. If I understood correctly, there will be other stories with our damaged hero and it will be interesting to see how Greyson develops his style. In a sense this is a book that picks up exactly where the first one ended and that should mean that having read *Girl Jacked*™ would be mandatory, but in fact this is a book that stands well on its own. The plot is clear and distinct. Our *damaged hero*™ has a mission and he has a companion, he has a history and he knows that he needs to learn more. The plot thickens as he is dragged into a story that he knew nothing about. He did not go looking for trouble but like a lightning rod he seems to attract it. There is a murder and there is a small town and there are lots of secrets and many closets with skeletons. As Jack gets drawn into the mystery he is forced to look at himself and walk a dark path through a tragic set of lives. Replacement is also a mystery and Jack needs to work out if he wants to solve that one. Greyson's style is no-nonsense as advertised and also appropriately descriptive. The scenes are well set and the dialog is sharp, on top of that the plot is fabulous in

Jack Knifed™. There is complexity and simplicity; there is love interest and a good degree of violent exchanges.
