"Key to Savannah" is Book 1 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Months after the untimely death of mafia made man Vinnie Garlucci, his devoted wife, Carlita, discovers a mysterious key in one of his pockets while sorting through his belongings. With help from her daughter, Mercedes, she sets off to find out what the mysterious key belongs to and soon discovers she has inherited property in historic Savannah, Georgia. Carlita views the property as a sign and remembers Vinnie's dying words to her to get their family out of the mafia. Against the wishes of her three sons, mother and daughter embark on a road trip to explore the property. While they're gone, someone breaks into their home and vandalizes it. This is the second time it has happened since Vinnie's death and Carlita is convinced that it's somehow tied to the mafia. Carlita and Mercedes are looking forward to leaving their old life behind with a fresh start in beautiful Savannah. They quickly realize you can run but you can't hide from the past.

Customer Reviews

Key to Savannah is the first book in Hope Callaghan's Made in Savannah Cozy Mysteries Series. Ms. Callaghan has written a well thought out and interesting mystery, with a good story line and excellent character development. The writing style flows smoothly and the book is an easy read. The mystery is carried on well throughout the entire book and there are enough twists and turns to hold the reader's interest. The author is very talented in descriptive writing and much of the time I was reading, I felt like I was right there watching the activities taking place. This is a clean cozy mystery featuring no gratuitous sex, violence, or foul language. I'm looking forward to reading the next installment in this series and seeing how the characters and their relationships develop. I highly recommend this book to anyone who enjoys a well-crafted cozy mystery. On his deathbed, Vincent "Vinnie" Garlucci makes his wife, Carlita, promise to get his sons "out" and she was convinced he meant to get them out of the "family." Vinnie and Carlita had four children, three sons, Vinnie Jr., Anthony, and Paulie, and one daughter, Mercedes. Several months after his death, Carlita decided it was time to sort through Vinnie's clothes. In the bag containing the clothes Vinnie had been wearing the day he was admitted to the hospital, she found his favorite jacket and couldn't resist the urge to wrap herself up in it. As she took the jacket off, she found an envelope addressed to her in the front pocket and it contained a key she had never seen before. She showed the key to Mercedes, who did some research, and discovered it was a key to a safe deposit box at their local bank.
