## Customer Reviews

This book is very informative and very different from other books. You will get a very clear knowledge about numerology. There is so much information about Zodiac signs, fortune telling, Chinese magic square system, Indian numerical system and much more. It will help you to know many things about fortune telling. So, you should get one copy if you are really interested about Numerology.

Numerology is any belief in the divine, mystical relationship between a number and one or more coinciding events. It is often associated with the paranormal, alongside astrology and similar vindicator arts. This book will help you to know everything about numerology. You will be able to know your own fortune and also other people's fortune. It will help you about many sacred texts and ancient cultures. So I highly recommend this book.

This book contains in an informative description on history, origins and types of numerology. Reading this book you will be able to create your numerology profile as well as using the amazing knowledge in this insightful book, you must be able to find out what is stored for you in future. I found this book is well enough to be introduced with the new world of wisdom and math magic.

A wide range of informative description on numerology that works as a self-help tool to guide me in predicting future as well as determining what is in store for me. This book introduces me with the method of telling about human characteristics and predicting future. It is basically a numerology book that helps me to compute numbers and determine my purpose in life and instruct me to fulfill my goals.

This book provides me with a great opportunity of gaining a wide range of information on numerology that is associated with the ancient metaphysical science of numbers by which revealing the blueprint of life is possible by name and birth date only. It helps me with uncovering the destiny

and goal of my life through a simple and easy-to-understand way. I got this book as a tool for self-love and improving my relationship with others and myself.

This book will help you to give a detailed look at the basics of numerology to provide you with a learning to calculate your personal numbers that have an insight into your personality, appearance and the life path. I purchased this book to remove my doubt about the effect of numerology. Reading this book, I gathered huge information about human personality based on number. It really works !

Based on clear concept about Numerology we can uncover what our destiny through analyzing numbers. This ultimate guide book provides me with a gateway of learning to read and interpret the numbers as well. It really works to make you know yourself as well as your latent talent. I got this book very impressive and interesting also.

Numerology can make a prediction about your future as well as analyze your characteristics and personality by only depending on number related to your name and birth date. I just wondered reading about numerology along with all its amazing features. This book including in a wide range of informative description about numerology must help you to get introduced with such an amazing topics and its exercising procedures. Even a beginner can come into touch of it by giving a concentrated view over the pages of this book and make it work for himself or herself. It is strongly recommended.
