My People's Prayer Book, Vol. 1: Traditional Prayers, Modern Commentaries--The Sh'ma And Its Blessings

Synopsis

"The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." My People's Prayer Book provides diverse and exciting commentaries to the traditional liturgy, written by some of today's most respected scholars and teachers from all perspectives of the Jewish world. They explore the text from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, medieval, linguistic, biblical, Chasidic, mystical, and historical perspectives. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. The My People's Prayer Book series belongs on the library shelf of every home, every synagogue, every sanctuary of prayer. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for and find meaning in the prayer book.

Customer Reviews

This is an excellent resource for someone that is not satisfied with just rote repetition of the Sh'ma and it's blessings. This book will give you a history of where the prayers are coming from and an excellent english translation. The use of commentators from various Jewish backgrounds adds to the flavor of the book. You are not just exposed to one opinion or another but are given a wide

range of views. I look forward to reading all of the books in this series.

i like this book. i wanted something to simplify the service for me and also to translate the prayers into poetic english instead of the stilted hard to read translation in the artscroll siddur. i also liked the volume 2 of the series, about the amidah.

It takes a bit of time to get used to its "talmudic" page setup approach. It contains a decent set of prayer commentaries by both Reform, Conservative, and Feminist viewpoints. It also has Halachic reviews, I believe they are conservative rather than orthodox. Its really an enjoyable book to use for those who like me see prayer as an important and a uniquely positioned mechanism for expressing and deepening our faith.

Too reform, too conservative. The word traditional is used liberally. Page 24: "he uses more liberal prayer books than Orthodox ones..." "Orthodox volumes are cited here, but references to them are limited."

This whole series is terrific! So much interesting information packed into such compact books! I recommend all of them highly
