ARISEN, Book Twelve - Carnage

Synopsis

Readers call the ARISEN series: "unrelenting, unflinching, and unputdownable" ... "a tour de force" ... "Electrifying, Thrilling, and Heart-Stopping" ... "brutally fast, intense, intelligent, interesting and just brilliant" ... "as exciting and intense as any book I have read" ... "thrill ride at Mach 2 with the Top Down" ... "not only the best zombie apocalypse series in print, it's also better than any military classic written by Clancy, Coyle or Poyer" ... "the best thing to happen to this genre" ... "the new Gold Standard - by far the most thoughtful and intriguing zombie series ever written" ... "All I can possibly say is, thank you for the Canadian flaming zombie machine gunner" ... "moves a mile a minute" ... "I have to know what happens next!!!!!! Now!!!!!" ... "I have run out of hyperbole and adjectives for this series" ... "would have given it 13 stars" ... "an apocalyptic magnum opus" ... "a continual heart attack..."

**** Begin the most explosive and thrilling military ZA adventure on Earth today. Right now, you can download **ARISEN, Book One - Fortress Britain** for only \$0.99: getBook.at/arisen-book-one

***ARISEN, Book Twelve - Carnage is now a #1 bestseller in Dystopian Science Fiction, #1 in War & Military Action Fiction, and an overall Top 100 bestseller.

ALPHA TEAM LOOKS THE DEVIL IN THE EYE After recovering Patient Zero, Alpha must escape Africa to end the ZA once and for all. But they can feel the hot breath of a reinforced and vengeful Spetsnaz team on their necks - and there can be no escaping the reckoning of an ultimate sniper showdown between Ali and Vasily, and an incomparably brutal iron-cage Texas deathmatch between Predator and Misha. For the first time, all the teams will come together and must fight as brothers, for any chance of making it back to Britain. And only one thing is certain - not everyone is walking away from this one...

ONE TROOP RALLIES AGAINST DECIMATION AND DEFEAT After rescuing Aliyev, One Troop is pinned down in Red Square between a surging singularity and the merciless killers of Spetsnaz Alfa Group. They're about to lose their second aircraft, they still don't have the zombie-killing MZ, and the clock is ticking down on their pinhole of escape. Only the most vicious and desperate gambit can give them a chance of saving London, not to mention themselves - but Jameson refuses to fail...

THE CREW OF THE KENNEDY BATTLES BACK With the bridge and most critical stations held by the world's deadliest maritime commando force, and Dr. Park pinned down by a smash-mouth battle and last stand in the ship's hospital, time is running out for the shellshocked and outgunned crew of the JFK to fight back. The ultimate heroism and sacrifice of everyone from storekeepers all the way up to Commander Drake himself will be required to fight their way back from the brink...Defiance. Valor. Consecration.

Customer Reviews

I've been an avid reader for decades. While I'm not a speed-reading demon like my blog partner, I probably go through a book every few days. Reading at this pace means that I read a lot of stuff across a range of genres. Some of it has been utterly disappointing and forgettable and some has left me stunned by their brilliance. Arisen, Book Twelve falls in the latter category. If you read my review of Arisen, Book Eleven, you know I'm a fan but trust me on this; Michael Stephen Fuchs has transcended his previous work with this latest addition to the Arisen series. I've always thought he was an exceptional writer and I've commented on his masterful command of a devilishly complex and intricate plot but this is different. This is a work of art. It's a beautiful, smart, tension-filled experience that will leave you both exhausted and grateful for having gone through the literary gauntlet. In particular, the final climactic scene is filled with such astonishing richness and depth, it leaves you racing to turn the page while simultaneously dreading what will be revealed. I won't give away any spoilers other than to say people die. That's probably not shocking news to long-time fans of the series but it doesn't make it any easier to lose characters you've come to know, admire and respect. It's a testament to Fuch's

skills as a writer that readers will feel a sense of loss over fictional characters. The fact that theyâ™re based on real-life military warriors brings an additional level of realism and poignancy to their passing. The clear overarching theme of good vs. evil is personified in the members of Alpha and their Spetsnaz counterparts theyâ™ve been battling throughout the last several Arisen books.
