Lost Book Of Enoch : A Comprehensive Transliteration Of The Forgotten Book Of The Bible

Synopsis

Quoted in the book of Jude, and used to form our view of angels and demons, this book connects the dots of doctrine and prophecy in the scriptures. Details are revealed about the "Sons of God (Angels) that left their positions in heaven to marry human women", having children that became giants and monsters called Nephilim who introduced violence, sorcery, and evil spirits into the world. This book, along with the Book of Jubilees, is considered sacred to the Christian church in Ethiopia and is placed in their Bible along side the Old Testament books.

This book connects the dots of doctrine and prophecy in the scriptures. It goes into more detail about the "Sons of God (Angels) that left their positions in heaven to marry human women", having children that became giants and introducing violence, sorcery, and evil spirits into the world. It seems the revelations of Enoch were very similar to that of the prophet Daniel and John the writer of Revelations. It also seems obvious that the first christians and some Jewish sects, including Jesus Christ, were familiar with the Book of Enoch and considered it a part of scripture. I can understand why some questioned it's authenticity because of when the book became available and the awesome visions and supernatural scenes described. But if one compares them to the bible/canon we have now one can see a lot of similarities and parallels. The book of Enoch does not take anything away from what we already have, but confirms it. What struck me was the large amount of prophecies to The Elect One/ The Messiah and the naming of about 20 of the chief angels/holy ones that were in charge of about 200 other angels that had children with human women. Also the

naming of a few other good angels that are not very familiar to most protestants, like Uriel, Raphael and Phanuel. There is some debate as to whether Angels are able to procreate with human or not, but I think if you search the popular scriptures carefully you will see that is not a valid argument. Many times angels have appears to the patriachs as "men" including the 3 that appeared to Abraham and Sarah and the ones that rescued Lot and his family. Also, I have (and some of you readers) have heard of persons, men and women, that have been attacked by evil spirits that assaulted them sexually.
