Customer Reviews

Don't read spoiler section if you want to experience the book totally for yourself as I am going to reveal something I wasn't expecting as I was not familiar with Linda Barnett before reading this book. I purchased it based on reading some of the reviews. I have read a few of these books, namely Linda Howe's *How to Read the Akashic Records: Accessing the Archive of the Soul and Its Journey* and Ernesto Ortiz (this appears to be new version of book I purchased in Kindle version) http://www..com/Akashic-Records-Exploration-Collective-Consciousness/dp/1601633459/ref=sr_1_1?ie=UTF8&qid=1449273728&sr=8-1&keywords=Ernesto+Ortiz. I read the other books awhile ago and occasionally pick up a new book and read about the subject. All 3 books use prayers to access

the Akashic Records. If I remember correctly Linda Howe's prayer was the longest and actually I was able to access the recorded prayer itself at Sounds True (don't know if it's still there) and I think there used to be a video of her reading it on YouTube. It just didn't speak to me though I am sure many found it useful. I think I felt more connection to Ernesto Ortiz's book. The version I purchased doesn't seem to be in print anymore and I am not sure if the new version is the same or has changes but I am assuming it is essentially the same. His prayers were short and to the point. Ortiz emphasizes self-improvement Akashic Records or not. Some reviews complained about the commercial aspects of the book, but these days it's par for the course as the authors are basically publishing these book(s) to help their businesses and support themselves.
