Quotes To Enrich Life & Spirit - From Buddha Through Gandhi To Zen

Synopsis

A collection of the greatest quotes about life, love and spirituality from varied sources such as Mother Teresa, Buddha, Gandhi, Lao Tzu, Osho and many others. The book has two main sections with the first having the quotes divided by their topic such as Love, Happiness, Anger, etc. The second part of the book has specific quotes from Buddha, Gandhi, Mother Teresa, the Dalai Lama, Lao Tzu and Zen Quotations.

Customer Reviews

Fans of famous quotes should have this book. It makes for good, quiet, meditative reading. A few glitches in formatting to Kindle are evident, but don't really spoil the whole experience. The table of contents takes the reader to selections either by subject or author: priceless in itself. Makes a nice introduction to the philosophy of meditation.

Easy to read, but I did read it twice for the concept to take hold in my mind. The book is very spiritually uplifting for those who want to find peace and happiness in their life.

What a great collection of quotes from amazing teachers of life. The way the book is put together is very helpful. Easy read.

I'm a sucker for quotes and cheap things. After buying this book, I found the quotes to be laid out very well. Most of the quotes are from the same people, but they are very profound. I would consider this book a steal at its current price. I would pay more for it.

As stated in the Life Section:" Life is a flux, a movement. Every moment it is changing and becoming new. If you miss a moment, you have missed. - Osho" To miss this book, you would definitely miss!

While I've only read a portion of the quotes in this book, most of them have impressed me enough to copy in my journal for regular reference & memorization. I love pithy quotes that capture the essence of certain issues and this does it for me.

I really like the compilation of all the quotes in this book. Some of the most inspiring and thoughtful quotes that leave you in awe and admiration. This book contains some of the deepest message from the righteous and wise men that walked on this earth. Their teachings and admiration for simple things in this life enlighten us through this journey. This wonderment-inspiring book is totally worth reading for all those who thirst for righteousness and guidance.

Fits in perfectly with another book I've been reading - " Spinoza's God". Spinoza defines God. Morganti tell you how to tune in to Universal Consciousness and achieve understanding and contentment.
