Customer Reviews

Good price, saved over \$7 by purchasing from here vs. bookstore. The condition of the book is as described, new. Delivered on time. Overall I am satisfied. As for the book itself, it is very bulky, not good for travel for sure. However, if you want all of AM's works to study at home for a very good price this is the best way to go.

This man is a great playwright. I have only read two of the plays but they are as powerful as any plays I have ever read. He stand up to Ibsen and Chekhov for his insight and courage.

Happy with my purchase. The compilation has everything that I need to read. Arthur Miller forever.
