For Logan (Chicago Syndicate Book 5)

Synopsis

A Contemporary Romance Standalone. After a lifetime of loss, Logan Wade has no faith in things such as justice. He screws and discards women with ease, and deep down, he doesn't even know who he is anymore. He's an agent who's defecting to the Chicagoan mafia, the Syndicate. However, Logan's tightly scheduled plans derail when he meets Rosalia Calderone, the mafia counselor's daughter who's ten years younger, reckless, and doesn't know when to keep quiet. Shrouded under the secrets of her parents, Rosalia has been kept out of mafia business her entire life until unforeseen circumstances thrust her into Logan's path. As she grows closer to him, Rosalia sees that there's much more to Logan than what he shows the world. Even though she realizes it's dangerous to fall for a closed-off man like him, she's a girl who always follows her heart. What starts as a forced acquaintance turns into an illicit affair where risks are taken and bonds are broken, and Logan and Rosalia learn that love can be disastrous. Customer Reviews

Just when I think Soraya can't get any better, her next book knocks the last book out of the park! For Logan is edgy, riveting, intense and flat-out enticing!! I couldn't stop reading once I started. For Logan is Logan and Rosalia's story. And it's one hell of a whirlwind story. Just when you think she can't get any more deeper or condescending with the mafia, Soraya proves you wrong!"Ultimately, we all lie, cheat, and steal to hold on to moments of happiness. Even people whom we least expect." Logan is a CIA agent working with the Chicago Syndicate (mafia). He's not sworn into the mafia so everything he does is to prove his worth. Rosalia is James' daughter (former mafia boss) - Yea, that alone makes this a very intense situation. For anyone who has read the previous books, will really appreciate this book. We get a behind the scenes of what really went down with Dimitri and his Ukrainian Mafia becoming obsolete in the previous book. For those of you who have not (shame on you lol), fear not - you won't be lost at all, trust me. But after reading this book, you will want to go back and read the rest!!" I ultimately make the wrong choice, setting in motion a chain of destruction that ruins many lives." Soraya really knows how to weave a story of romance and suspense together. She is able to build up the story with the perfect tempo and added tension to keep you gripping the pages. I found myself wanting to know what would happen between Rosa and Logan but also trying to figure out how everything is going to work out. What made me love this book even more was that with all the suspense, action and holy hot scenes, Soraya threw in scenes that tore at my heart and my tears welled up.
