BOOK 1: ENSLAVED BY ALIENS
Natalie Korman and her friends are abducted from earth by aliens. They have been taken for their genetic and physical make-up, to be used as sex slaves and pleasure objects. She becomes very popular amongst the aliens, who enjoy using her, as humans are very sort after in the pleasure arenas. When she is rescued by an eblian, she thinks his as bad as all the orhers who have used and abused her. Then she finds out that Kyan is part of the Galactic Police Force known as Surveyors, and his there to help her. But Kyan does much more than that, he gives her pleasure, keeps her safe and gives her a lifetime.
BOOK 2:

RESCUED FROM ALIENS Kyan and Natalie plan to go on a final rescue mission to rescue her two earth female friends still out in the galaxy somewhere. Except this time they need to take partners, as it's in a different place and there is too much ground to cover for just the two of them. Natalie is mad when she hears they want to use Tina to go along with Arno. But Tina is not as much of a wreck as she thought she was and agrees to go. Not all seems as it appears and one of the friends manages to escape and runs away back to the Tooms. Natalie is devastated when she goes and more so when the commander decides she's no longer a slave, as she returned by her own free will, so they won't be going on another rescue mission to save her. But just when Natalie thinks all is lost, she comes up with a plan. A plan so save her friends and maybe help out her fellow galaxy police. But Kyan and her have other ideas in mind and plan to take their friends with them.
