High Pressure System: Part Five: Before E-Day

Synopsis

Micah has been busy working all the overtime he can as a construction worker, building the bunker so it will be ready in time for residents before Evacuation Day. Not realizing how close E-Day is, he didn't request to have his mother and sisters join him in time. When he finally asks Brandon, the man in charge, he's denied. Micah's not going to take no for an answer. Desperate to find a solution because of his grave mistake, he's willing to go to extreme measures to bring them to safety before E-Day. However, he didn't realize how dangerous that would be or how many secrets he would uncover. The intense beginning of Season Two to the High Pressure System Serial.

Customer Reviews

Certainly a different twist on dystopian tales. Looking forward to reading the next instalment. Only unfavourable comment I can really make is that the books are annoyingly short.

I like to learn back stories and now I'm a lot more excited about what happens next! Now to wait and

find out. Once again, four stars for typos and swear words.

...to season two. Even with some editing mishaps, I thoroughly loved this unique perspective to the usual AP stories. It's a great tale. Well done. Keep going!

An exciting look at what I hope will soon appear in the next installment. Author offers some unique perspectives on an AI menaced future.

Great book can't wait for next part
