Rosicrucian History And Mysteries (Rosicrucian Order AMORC Kindle Editions)

Synopsis

Often considered to be a secret society, the Rosicrucian Order is one of the most enigmatic of the initiatory movements. Recounting the mysteries of its origins, this book first attempts to place Rosicrucianism in its historical context by recalling the origins of Western esotericism and presenting the numerous currents to which the Rose-Cross has given birth. It then focuses on the major Rosicrucian organization of our time: the Ancient and Mystical Order Rosae Crucis. Beyond its historical aspects, this work, which features a wealth of illustrations, invites us to discover the ways in which Rosicrucians of past and present have tried, through a mysterious Primordial Tradition, to rediscover the vital thread connecting them to the Divine. This volume also allows us to learn about the Order's philosophy and thus have a sense of the Rosicrucian search for spirituality and humanism.

Customer Reviews

This is a very well researched history of the rosicrucians devoid of speculations, rumors and gossips. It is a must read for anyone interested in an authentic history of the rosicrucians.

The best history book on western esotericism I've ever had the pleasure to read! I wish that it was standard reading in every history class in school! LoL. History class may never be so dull or boring again!

This book should be a must read for all humanity. It gives enough information for everyone to make an informed decision regarding the path they are taking and where to turn at the crossroads.

Give the history of the esoteric world that has influenced its teachings up to the present day. This is a history book not instructions on lessons and the like.
