This gives the band road history that can not be found in a regular QUEEN book. The road locations and the song lists make the record of these great events come out for people who would not have gone to EVERY concert (AND THAT'S MOST OF US). The wonderful photos add to the experience. A VERY GOOD ADD- ON TO ANY QUEEN BOOK COLLECTION.

I thought it is really interesting the listing of all Queen's concerts and there are also some excellent photos, with a great text!! You should try it and add this book to your library!! Brilliant!!!!

I've got a lot of Queen books, but this is the best, if you're interested in concerts, albums, bootlegs (on CD, LP and cassette). All the facts are here! I never regretted buying this one!
