Untouchable: A Chillingly Dark Psychological Thriller

Synopsis

A Conspiracy. A cover-up. And a whistle-blower who knows too much. You think you know who to trust? You're wrong. And the truth may kill you...Untouchable is a chillingly dark psychological thriller from the No 1 Bestselling Author of Look Behind You.~ Inspired by real UK police investigations, this book contains scenes which some readers may find disturbing ~It's Maya and Jamie's anniversary, and she waits with excitement for him to return home for a celebratory dinner. There's a knock at the door. It's the police. Jamie has been found hanging in a local wood.His death is ruled a suicide, but Maya doesn't believe Jamie would take his own life. Something isn't right. Someone has broken into her house. Someone is watching her. And someone has gone to great lengths to cover up what Jamie was doing before he died.Maya's grief turns to suspicion, and as she begins to investigate the weeks leading up to Jamie's death, her trail leads her to a place known as "The Big House" and the horrific secrets within. Secrets people will stop at nothing to keep hidden. People linked to the heart of the Establishment who think they're untouchable.Now Maya has a dangerous decision to make. How far is she prepared to go to reveal the truth?"A fast paced intense thriller that will sometimes make you gasp, cringe, make your jaw drop to the floor. Make your heart beat faster, make you read faster. This author has a pure gift that takes you on a journey that sometimes you want to close your eyes to, but you dare not. You can't switch your brain off, it stays with you. Even months later. " ~ Read Along With Sue Book Blog "Untouchable will be a book that remains with me forever. One of those novels that hooks you in from the start, then keeps upping the game as you read it until you are desperate for certain outcomes from the plot and characters. I can't recommend it enough however, it's exceptional writing, the plot is truly engaging and the characters the type you will be forming "book" relationships with. I loved it, it stirred me on so many levels and recommend it openly and gladly. 5 huge stars and long-listed for my Top Ten Books of 2016." ~ Booklover Catlady"Disturbing, compelling, brilliantly-written tale of abuse and revenge." ~ Mark Edwards, Bestselling Author of "Follow You Home" "Riveting, unsettling and full of tension. Untouchable is a book that will stay with you after reading it." ~ Bibliophile Book Club"This was such a gripping page-turner that I wanted to stay up all night reading. All day-to-day life things came second to reading this book.A worthy read for any thriller fans out there. It's full of twists that I wasn't expecting and I got to the point where I didn't trust anyone and then what I thought would happen, took a whole new spin! I'm surprised more people aren't reading this! An easy 5 star read for me! It's such a hard-hitting book that it'll stay with you forever." ~ Charlotte Reads"Hodge is a strikingly powerful storyteller. Readers will turn on every

single light, lock all the windows and set their security systems. Hodge pulls readers in from the first paragraph and takes them on a high octane thrill ride that will leave them breathless! This top-notch scribe's remarkable attention to detail, flawless characterization and spellbinding characters bring this novel to life. You think you know where this intense pulse pounder will go, but you don't. You. Do. Not. Untouchable will leave an indelible imprint seared into your brain long after you reach the breathtaking finale." ~ Diane Morasco, Blog Critic "Untouchable is a chilling, tension-packed read treating a very difficult subject. I really enjoyed it and I highly recommend it. Well done Ms. Hodge." ~ Relax and Read Reviews

UNTOUCHABLE by Sibel Hodge, the bestselling author of LOOK BEHIND YOU, is an amazing dark psychological thriller that will grip you totally from beginning until the end, stirring up every emotion along the way. This book contains scenes which some readers may find disturbing but needs to be told. Sibel Hodge has taken on a horrifying subject matter, one of child-abuse and brought it to

the forefront. I recognize that this must have been a very difficult book to write, but must have been one that she felt needed more exposure, to raise the awareness and give survivors a voice. This is not light reading, but it is a well-written story that needs to be told. It's Maya and Jamie's anniversary, and she waits with excitement for him to return home for a celebratory dinner. There's a knock at the door. It's the police. Jamie has been found hanging in a local wood. "No. They're wrong! It's not Jamie. It's not! It can't be." His death is ruled a suicide, but Maya doesn't believe Jamie would take his own life. Something isn't right. Someone has broken into her house. Someone is watching her. And someone has gone to great lengths to cover up what Jamie was doing before he died. The POV alternates between Maya and Jamie, and we then follow Jamie giving us background information on, how they met, his hopes and fears and plans for the future. Jamie had been keeping secrets right from the beginning from Maya. He was afraid that if he told her, she would leave him. But Maya's grief soon changes to suspicion, and she begins to investigate the time leading up to Jamie's death. She is determined to find out the truth but at what cost? She puts her own life in danger. She doesn't know who she can trust!

OHHHHH LET ME SAY how much I love this authors works. I remember a few years ago now when I cheekily asked if I could read her book. And from then on I await with bated breath for her next and her next and her next. Yep, I am gushing, yep I am going on and on, but you may raise your eyes to the ceiling and feel "oh no here she goes again" not often to I rave and I raving now. Foghorn out, large speakers. You do not want to miss reading this. I was lucky enough to get a very advanced copy of this new book by this author. Since reading her first thriller and it being one of that years Stand Out book from an avid bookworm and reviewer who reads loads each year I wondered what her next book would be like and if it would be an epic fail. I'm sure many of you readers know what I mean. IT WASNT, it was another year of a Stand Out book from Sybel Hodge so when she asked me to read and comment on her latest venture I was....What? Me? I took it on board happily and the story although is kinda of told in two parts, you will understand it immediately. Because of what happened to this characters boyfriend something came to light. So we get a huge insight bit by bit to how Jamie's childhood was. His girlfriend didn't even know about his upbringing and the more she discovered the worse it got. Jamie was found hung (yes a small spoiler) but I need to say this as its the start of events that follow. When Jamie left for work that day happy and telling his girlfriend to look forward to tonight, did he mean this? Or did he mean he was going to ask to marry him? A hunt goes on as she crosses paths with someone. Also when she discovers something left behind by Jamie.
