Traveller Supplement 5: Civilian Vehicles (Traveller Sci-Fi Roleplaying)

Synopsis

There are an almost infinite number of vehicles spread throughout the galaxy, from the wagons and man-powered wheeled transports of low tech worlds, to ground cars, skimmers and immense ocean and air-going liners that are capable of transporting a sizeable population of an entire city across a world! Supplement 5 details these vehicles and provides many ready for play, to be inserted into your Traveller campaign, whatever the setting. Also, for the first time, the official Traveller Vehicle Creation System is included, allowing you to build your own vehicles to populate the galaxy.

Customer Reviews

Just another tome to add to the Traveller Universe collection after all it's not all blood, devastation, death, war and horror out there. ;)
