Human Relations In Business: Developing Interpersonal And Leadership Skills (with InfoTrac)

Synopsis

This applied text, designed to increase the student's human resource skills, is a self-contained text, workbook, and study guide-all for one price. Written in a conversational style using stories, real-world examples, and humor, the book is sure to engage the reader. The authors include free-writes, case studies, projects, and personality tests to help students apply what they have read. The pages are perforated to make it easier for students to hand in their projects.

Customer Reviews

The book that I received is missing three chapters. I bought it "as new", but there was missing entire chapters!...

Good book, good price, good service.

I bought this used so the condition I received it in was iffy. However, it was legible and it served its purpose.

Everything was just fine with this purchase. The book came within a few days and was reasonably priced.
