Customer Reviews

Loved it!!!! Please,please,please send me my very own Aehako or me to him!!! Please!! He was the perfect blend of wise and funny , sweet and flirty,strong and alpha and always seemed to know what his girl needed (giggles,though not sure about that "courting gift") even letting her take the lead when needed and yet never came off too dominate and never ever felt weak... From his soft blue skin (my favorite color) to his yummy body and swishing tail (I'd have loved to seen Kira get to play with that more ;)) (I know I would have ;)) to his cock and his wonderful purring (Oooooooooooooo to have a man who purred ;)) (Yum!) and amazing personality!!! Just gotta LOVE Aehako !!! Only thing

I didn't like was how clueless I felt when every I tried to say his name otherwise he's definitely on my list of guys in books I'd just love to have for my very own !!! I enjoyed this almost more than Georgie and Vektal because I had an idea what to expect and communication was soo much easier between them all now and I haven't read Liz and Raahosh's story coz well one I'm saving for a time when I'm stuck for a good read (coz I'm sure it will be) and 2 even knowing it will be good,I'm a lil reluctant knowing how contentious Liz and Raahosh are with each other and others as well... Liz can be sweet but if you've anything about her you know she can be a but too blunt and abrasive and doesn't always work and play well with others and though I'm sure it will be a good story I haven't been in the mood for it yet....
