Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #3,321,155 in Books (See Top 100 in Books) #25 in [Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Medicine](#) #1286 in [Books > Health, Fitness & Dieting > Diseases & Physical Ailments > Cancer > Breast Cancer](#) #2954 in [Books > Textbooks > Medicine & Health Sciences > Administration & Policy > Health Care Delivery](#)

Customer Reviews

Much more than just a collection of different women's individual stories of breast cancer and the decisions they made, this book really helped me understand what it means to confront cancer, make choices, find support, and most importantly, to "get on with it." The author provides insightful, directed discussion of the issues women face, drawing on the examples of women who share their stories. If you read one book, this should be it.

Excellent!
