Customer Reviews

It pains me to say this but I didn't care for this book! It was a much to do about nothing! I loved the other books in the series however I felt this one was filler and just another away to make more money! Now about the story I did not care for the fact that 2 gay for pay guys go from hustlers to ruthless gang members in a blink of an eye just not very believable Or that it appears Jane will become another statistic living the life she tried so hard to get out of!

This a a great series. Only thing about it is we get really into the book and it ends on a cliffhanger and I have to wait months for the next part. Ugh!

OMFG!!! I NEED TO KNOW WHAT HAPPENS i love sandra OMFG!!! I NEED TO KNOW WHAT

HAPPENS i love sandra raines books shes brilliant

ugh not another Cliff hanger , I hate that I have to wait till Christmas :(
